Website: [www.lledrhall.co.uk](http://www.lledrhall.co.uk)

### **Adventurous Activities License Detail**

The holding of an Adventure Activities License means that Lledr Hall Outdoor Education Centre has been inspected by the Adventure Activities Licencing Authority (AALA), and that our risk analysis and management systems were found to be satisfactory.

More information about what holding a license means can be found on the HSE website [Adventure activities licensing - HSE](#)

The Lledr Hall Adventure Activities License registration number is L42854 / RO444.

Lledr Hall Outdoor Education Centre is licensed to provide activities under the following four categories:

- Caving
- Trekking
- Climbing
- Watersports

For further detail see: [AALS - Lledr Hall Outdoor Education Centre \(hse.gov.uk\)](#)

The centre also provides the following activities which are out-of-scope, but which are declared to AALS and follow the same risk management procedures as the licensable activities:

Field studies  
Problem Solving  
Low and High Ropes courses  
Board Surfing  
Improvised rafting  
Off road biking (mountain biking)  
Night line  
Night walking  
Open water swimming

### **Membership of Professional Associations**

The Head of Centre is a member of the Institute for Outdoor Learning, membership no. 7082.

The Head of Centre is a member of the Association of Heads of Outdoor Education Centre's.

### **Membership of National Governing Bodies**

The Centre's teaching staff are members of the national governing bodies appropriate to the instructional / coaching / leadership awards they hold to lead adventurous activities.

These awards are in addition to their professional teaching qualification, which is a prerequisite to be a member of the Centre's teaching team.

Where no National Governing Body Awards exist, they will:

- have undergone in-house training
- been observed leading the activity

and their competence validated as being consistent with the requirements of the Licensing Regulations by the a suitably qualified and experienced technical expert.

### **Risk Assessment / Operational Procedures for Adventurous Activities**

These are inspected as part of the Lledr Hall Outdoor Education Centre Adventure Activity License.

### **Adventure Activity Equipment**

Lledr Hall Outdoor Education Centre provides all the specialist equipment required to participate in the Outdoor Adventurous Activities listed above.

All equipment is fit for purpose and is inspected periodically by a suitably competent person.

## **Fire Protection**

The fire system including all extinguishers and detectors are tested annually and under a maintenance contract with Dragon Fire Ltd.

All Centre Staff have been trained to 'Workplace fire safety' standard.

The fire alarm and fire escape doors are tested weekly as part of the group induction fire drill.

## **DECLARATION**

I declare the information above is accurate

Signed:       Graham Burns  
Position:     Head of Centre
